VELUREX Lamin Clean SUPER AZIONE SANIFICANTE

Sanitizing antistatic detergent for laminate and other not-absorbent surfaces

Description

VELUREX Lamin Clean SUPER is a sanitizing detergent suitable for the cleaning of laminate floors and all other hard surfaces. VELUREX Lamin Clean SUPER contains an antistatic emulsion which helps the absorption and the prevention of dust built up. VELUREX Lamin Clean SUPER contains special nanoparticles which give to the treated surfaces a long lasting sanitizing action. No rinsing is required and no halos remain on the surface. It sanitizes the surface leaving a pleasant refreshing fragrance. VELUREX Lamin Clean SUPER is also agreed upon for large communities and cleaning companies. Ideal even in the presence of pets.

Characteristics

| | |
|-------------------------|-----------------------|
| Application temperature | +10°C ÷ +25°C |
| Application | mop, cloth |
| Thinning (if necessary) | water |
| Storage stability | 1 year ⁽¹⁾ |
| Packaging | 1 L |
| Tool cleaning | water |

1 in original sealed containers at temperatures between +10°C and +25°C

How to use

Pour 3 caps of product in 1L of water. For strong dirt, increase the concentration until 6 caps.

Apply the product on the surface with a proper tool. No rinsing is required.

For a fast and prompt use, we suggest to pour 90 ml of product in a sprayer having capacity of 750 ml, than fill-up with water.

Possible use with ALFRED Spray Mop.

90% biodegradable.

Coverage for ordinary cleaning

| | |
|----------------------|---|
| 3 caps + 1L of water | 1 L of diluted product in the ratios indicated |
| 70 m ² /L | 500 m ² /L |

Warnings

Keep out of children's reach. Do not drink nor inhale. Avoid contact with eyes.

Label elements

Safety data sheet available on request.

Ingredients in conformity with (CE) Nr. 648/2004. Less than 5% non ionic surfactants, perfume.

VELUREX Metal Matt

High resistance matt wax for the maintenance of varnished wooden floors

Description

VELUREX Metal Matt is a pre-metallized wax for the intense maintenance of ruined and/or abraded lacquered wooden floors, resilient and resin floors. The film of VELUREX Metal Matt is characterised by long lasting, hardness and transparency giving a matt look to the surface treated.

Characteristics

| | |
|-------------------------|----------------------------|
| Application temperature | +10°C ÷ +25°C |
| Application | microfiber cloth |
| Thinning (if necessary) | water |
| Coverage | 1 L / 40-70 m ² |
| Storage stability | 1 year ⁽¹⁾ |
| Packaging | 1 L |
| Tool cleaning | water |

1 in original sealed containers at temperatures between +10°C and +25°C

How to use

Clean very well the floor with VELUREX Cleaner Star SUPER (see technical data sheet) and let it dry.

Spread VELUREX Metal Matt uniformly and evenly on the surface using a microfiber cloth. For particularly heavily used floors apply a second coat of VELUREX Metal Matt after the first coat has completely dried (about 2 hours). After some applications of VELUREX Metal Matt it is advisable to remove the old layers of wax with VELUREX Dewachs (see relative technical data sheet), rinse very well with water and let it dry. Proceed with the application of VELUREX Metal Matt from the beginning.

Warnings

Keep out of children's reach. Do not drink nor inhale. Avoid contact with eyes.

Label elements

- Safety data sheet available on request. - Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.
